***Canton, Texas***

### *Alma Mater*

Our praises high  
We love to sing  
My Canton High, my Canton High  
Our homage now  
To thee we bring  
My Canton High, my Canton High  
With friendship, loyalty, and cheer  
We serve our high school  
Far and near  
So fight as in  
Those days of yore  
My Canton High, my Canton High  
C.H.S.!

### *Fight Song*

Here they come, down the field  
Fighting Eagles from  
Canton High. They are  
brave, they are bold  
Fighting hard to win  
and meet their goals.  
So beware of the green  
for they are the winning  
team. They will fight,  
tonight  
With all their might  
So beware of the  
mighty green.

## ***Foreword***

*We, the Canton Eagle Yearbook Staff of 1975-1976, hope that this annual will bring a smile, a bit of happiness, and most of all the remembrance of the spirit which we had within our hearts throughout our school years.*

*For all Canton High School students, it has been a time of excitement, sharing, anticipation, tears, laughter, caring, and disappointments. We, as students, have all been a part of these experiences. It has been our goal as the Eagle Yearbook Staff to catch as many experiences as possible within these pages.*

*Billy Montgomery*

Dear Mrs. Heard and Mr. Montgomery,

We the 1975-76 Eagle yearbook staff would like to thank you both for being helpful and very understanding throughout our high school years.

To Mrs. Heard: We are truly amazed at how you have had time to meet all the requirements of a counselor and still have time to work with an individual. Not only were you a counselor, but also a friend.

To Mr. Montgomery: The smile you have given us will always be remembered. Somehow you always seemed to have a little extra time for individual help. Without your presence, the past four years could not have been the same.

Sincerely yours,

The CHS Eagle Yearbook Staff

## *School Board*

Standing: Don Hilliard, Tony Ogletree, Gerald Reed, and Tommy Eubank. Seated: J. D. Wilkerson, Vice-President; W. F. Hilliard, President; Faye Pulley, Secretary.

As another school year draws to a close, we want to thank each and every member of the School Board for their time and effort in making this school year, '75-'76, truly the "Year of Spirit."

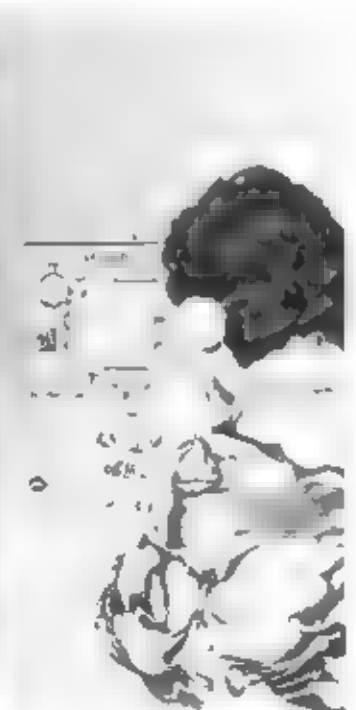

# *Superintendent*

Dear Students,

Our every effort should be so directed that someone's life will be better by its results. You, who have published this "Eagle," have made many of our lives somewhat richer. We can turn back with a more vivid view to our memories of the days together at Canton High School. We hope your school life here has broadened your knowledge in a direction that will make you a happier and more useful citizen.

Sincerely yours,  
Norris Birdwell

***High School  
Principal  
M. L. Brewer***

Dear Students,

The student body of 1976 is blessed with the greatest opportunities that man has ever known, yet at the same time they face the greatest responsibilities that man has ever faced. More than ever before, graduates of Canton High School will need all the technical know how that they can acquire. To the graduates, it is hoped that you are well prepared and to those left behind you still have time.

Best Wishes  
M. L. Brewer

## ***Vice-Principal Larry Davis***

Dear Students:

One should look at education as a tool to be used to help accomplish the goals he has set for himself. As in any other aspect of life, one receives only as much as he puts into it. Many times students do not realize the importance of their education until the opportunity has passed.

Education is like a long journey. That first step must be taken if the destination is to be reached. It is my sincere hope that as each student looks back to his time at Canton High School every moment can be considered as precious - for that exact moment can never be recaptured.

Sincerely yours,  
Larry Davis

"Mr. Davis, you're wanted in the office."

"No Debra, you can't take roller-skating."

## ***Counselor Martha Heard***

Dear Students:

An old Hindu proverb says, "There is nothing noble in being superior to some other man. The true nobility is in being superior to your previous self." My wish for you is that you will continuously strive to be superior to your previous self: to improve your mind, to control your habits, and to make the most of your abilities. Self conquest is the greatest victory of all.

Sincerely yours,  
Martha Heard

Mr. C.H.S.

Dear Students and Faculty Members,

As my twelfth year of school draws to a close, I can look back with fond memories on the days past. I have experienced all the hurts, heartaches, and a few of the joys school and life has to offer. There were times when I thought I couldn't make it without a friendly smile from a friend or a little joke from a teacher. As long as I have been at Canton I have never felt lonely or left out. When I felt during football that I couldn't go on, I would hear someone laughing or talking, it would make me strive for perfection. The greatest joy I have ever known, is being chosen Mr. Canton High School. I thank you the student body and faculty members, not just for choosing me, but for being there and being yourselves.

Sincerely,  
Mike Burns

Miss C.H.S.

Dear Students and Faculty Members,

As these short four years have passed, I have come to appreciate the dedication of the faculty toward the development of each individual student. The friendship of my fellow students has made these last school years some of my happiest. Thank you for your understanding, encouragement, and for the many hours you have spent helping and teaching me. I only hope I can reflect a part of the many assets of Canton High School.

Sincerely,  
Laurie Weaver

## People, People

### People

People, we've got people . . .  
 Miles and miles of people . . .  
 people doing things, saying  
 things, whispering . . . people  
 doing nothing, saying  
 nothing, just being people.  
 People smiling, people  
 laughing, people sneering . . .  
 people reflecting, doubting,  
 pondering . . .  
 people being just people.

In Memory . . .

Ronnie Truett Reid

He was always around,  
buzzing through town.  
He always wore a smile:  
never a frown

He was such a good sport  
as he gave his report  
"10-4, Good Buddie."

You could always see the "Wolfman,"  
chewin' and spittin' his 'Redman'  
(for that was his past time)

Then something went wrong  
Now our 'Ronnie has past on.  
But the feeling is still here . . .

"Good luck in the future" Well that time  
is over. We should be growing & solving. We  
have grown up so much I can remember  
when we were prancing in Jr High. Donna,  
you are a very nice girl and you have a great  
personality. You always are smiling and  
acting goofy like me. I hope we'll always  
be friends. God be with you always.  
I love you.

Don't you,  
Can you believe that  
won't spend this coming  
year together? It will be  
1st time in about 5 or 6 years!  
sometimes think back over all the crazy  
things we've done together. We're really gonna miss ya  
at times together haven't we? I'm gonna miss ya  
be crazy. I know your Senior year will be  
great for you. Take it from <sup>me</sup> a cousin, live each  
day to its fullest and strive hard to be happy  
because time passes all too fast. Trip hard to  
get close to your family & friends because you'll  
appreciate them alot when your away. That all  
the advise for today. (HURRAY HURRAY)  
of yourself Donna. We'd like to keep you around for  
while! Hope you know how much I love you and I  
hope you'll be happy for a long long time to  
Come. God Bless you, I'll miss you!  
Love always

Donna,

I've enjoyed going through school with you all these years. You always seemed to add to the class especially Mr Montgomery's classes. I don't know how I'll get through there this year without your questions. Good luck with Michael and may God bless ya.

Love ya,

David "Sr. 77"

Donna,

I really can't believe that this is our last year. I'll always remember our friendship in Jr High. We had alot of fun together then. Remember when we both liked Jed? Well good luck in the future years. Stay sweet.

You're really a cute girl who I've enjoyed being around even though I've only known you (personally) one or two years (now I know what I've been missing) HA!! I've had a great personality and an overwhelming smile. I took your journal instead of ~~my~~ mine the night we went skiing so I remember it. So I went ahead and did it. You made a cute cheerleader and one that I'll be out, court quit, ha! Well - Good luck in B.B. and I hope we'll be playing together some this year. Good luck with Kerry and stay sweet. God Bless

Ja, always
